Hello, CLite,

CL business is as good as her academic or student outcomes. This is the only sustainable secret to success in education business. We continued and strengthened that tradition in CAT 2022 as well as CUET 2023 with 1300 final selections into IIMs alone even as we tripled out CUET 100 percentiles to 1250 plus from 430 last year.

For the nurturing of our relationship with young teens across the country, we are excited with our CL Olympiads for the first time. We hope to build this into a valuable means of engaging with the brightest of minds and their parents to help with their careers.

Our field work juggernaut continues to roll with seminars, scholarship tests, chai pe charcha s across the country including Noida, Chandigarh, Agra, Meerut, Dehradun, Kochi, Thrissur, etc. Our Franchise India participation also saw strong flow of franchisee enquiries.

With CL Ranchi, Hyderabad and Dehradun showing us some evidences of school tie-ups being possible, I would encourage you to try in your city too. Mind you, though, that your terms must prevail as that is the only way we can deliver student outcomes and build success sustainably.

Wish you a memorable Independence Day on August 15, 2023..

Cheers,
Satya

Career Launcher pulled off a showstopper on 8th June 2023! The Achievers' Meet event, hit the digital stage for the first time as 'Crack CAT: Learn from B-school Achievers', and boy, was it legendary! With more than 3,223 CAT hopefuls signing up, the virtual extravaganza drew in a whopping 700+ attendees who were hungry for success.

The main event had a rockstar lineup of three accomplished CAT 2022 achievers - Srjal Gupta, Ashwin Chauhan, and Rajat Sharma. These cats (pun intended) shared their journeys, struggles, and winning strategies in a way that made everyone go "Wow!" Their stories struck chords with the audience and sparked a thrilling exchange of questions.

Building the stage for the event, Sujatha Kshirsagar took the stage with her inspiring talk on "Hard Work + Goal Clarity = Top B-school." She set the mood right, and the audience was vibing with enthusiasm and determination.

The mentors - GP, Shivku, and Sreeni - were like the wands to these aspiring wizards. They cast spells of guidance and

expertise, making sure no doubts were left unanswered. It was like a real-life potion class, but instead of bubbling cauldrons, we had bubbling minds!

But wait, the fun didn't end there. The organizers took a page out of Hogwarts' book and introduced the magical element of "breakout rooms." In these virtual realms, each room had a superstar mentor and one of the achievers, ready to answer questions and drop knowledge bombs like confetti. It was like having your personal dream team!

The post-event counseling sessions were the cherry on top. CAT hopefuls got the chance to have one-on-one chats with the experts. It was like a candid chat with Professor Dumbledore himself - valuable, insightful, and empowering. Attendees left with renewed purpose and the knowledge that their B-school dreams were within reach.

Here's to Career Launcher for orchestrating an epic show! We proved that virtual events can be as fun as a Felix Felicis potion.

Yeh Samaa Hai Suhaana

Namaskar and Hello,

In our relentless pursuit of student success, it's always delight to share the latest updates from our journey. As we continued celebrating our accomplished MBA graduates in July, we proudly welcomed a fresh wave of high-achieving individuals into our fold. This time, we achieved an exceptional milestone by witnessing a threefold increase in CUET 100 percentiles, now surpassing 1250 and still growing.

Our school outreach initiatives have progressed with partnerships with esteemed institutions like DPS, Manav Rachna, Welham Girls/Boys and Doon School. This represents an expansive and largely untapped realm. We must crack it.

To fortify our outreach endeavors, we're excited to announce the commencement of more than a hundred RT99 and RTNLU sessions scheduled nationwide, beginning this month.

Moreover, I'm delighted to kick off this CL Olympiads. Let's leverage our collective strength to make it into a success.

Every day holds immense value, whether in engaging student sessions or encouraging active participation in tests and mocks. Embrace the mantra "Show - don't tell," as our actions truly speak volumes. .
