About CL Educate

CL Educate Limited, listed on both BSE and NSE since 2017, is a well-diversified, technology-enabled company operating across the EdTech, MarTech & Digital Assessments segments. Since its inception in 1996, CL has grown from a single MBA test-prep center into a pan-India conglomerate, delivering a wide range of offerings—from test preparation and training to publishing, content development, corporate marketing services, and integrated institutional solutions—across both physical and digital platforms.

Led by a team of highly qualified professionals, including IIT-IIM alumni, the company has consistently leveraged strong synergies between its consumer- and enterprise-focused businesses to build an asset-light, scalable model.

Further strengthening its position, CL Educate has forayed into the rapidly expanding Digital Assessments space through the acquisition of DEXIT Global Limited (formerly NSEIT Limited), an erstwhile step-down subsidiary of NSE Limited. With a 20% relative market share in a ₹4,500+ crore industry, DEXIT marks the largest and most strategic addition to CL's EdTech and MarTech portfolio For details, please visit www.cleducate.com
